ORAL ORDER
(Passed on 22nd December 2005)

The dispute brought before the Court bristles with disputed facts. In a summary proceeding under Article 227 of the Constitution of India it could not be decided. Be that as it may, having heard learned counsel for the parties, I do not find any jurisdictional flaw. The writ petition is, therefore, dismissed. However, the learned civil Court is directed to expedite trial of the suit and dispose it of within a period of six months from the date of receipt of a copy of this order. There shall be no order as to costs.
